GPC enters AE arena

Goddard Perry Consulting (GPC) has entered the Auto Enrolment field with the launch of their new regular premium master trust, The Pension Master Trust (TPMT).

TPMT offers a direct alternative to NEST and will be priced at an annual management charge of 0.5% with 100% allocation and no other regular administrative fees or set up costs.

TPMT offers a wide range of investment funds for members and also allows members to transfer in or out. TPMT currently includes a 2-year vesting rule for employers, whereby refunds can be provided for short service.

HS Administrative Services Ltd (HS Admin) has been appointed as TPMT Administrators and Blake Laphorn Pension Trustees Limited is the appointed Corporate Trustee.

Steve Goddard, Managing Director of Goddard Perry, said: "We are delighted to enter the battle for Auto Enrolment business, TPMT is being launched at a competitive price with the added flexibility for transfers. TPMT can also accept contributions above the £3600 NEST limit, and is a competitive alternative to Group PP. The refund option will be attractive to employers with high staff turnover."
